got to do with
your
Business?

Free seminar @

Brindleys 
CHARTERED ACCOUNTANTS

Don't know where to start with **social media**?

Or questioning if you **should**?

We'll help you understand

- **Which platforms** to use
- Tips on **what to say**
- Tips on **WHAT NOT to say**
- Why it **WILL help your Business**
- HOW to do it **TIME & COST effectively**

Come along and learn the basics on social media and why it is not only important – **BUT IMPERATIVE** that you get started NOW.

50% of the global population is **under 30 years old**

Social media is the new 'killer app' of the connected world – speak the new language and generate greater opportunities for promotion, influence, recruitment & more.
